Baby Trend Car Seats - Walmart.com

I went with Baby Trend because the stroller is a jogger with inflatable rubber tires, the car seat base uses LATCH, and mostly because the price is realistic. (I paid \$250 for the Baltic.) I liked certain features of the Graco Trekko stroller better, but overall Baby Trend had features that were more important to me.

Baby Trend Expedition Travel System with Stroller and Car ...

We bought a Baby Trend car seat (model: CV88A46C) for our then-9-month-old daughter from our local Babies R Us in August 2016. It's a convertible, so it's supposed to last for several years to take your child from infant through toddler and small child.

So since the Baby Trend Expedition Jogger Travel System happens to be under \$200 and also comes with a car seat that works with the jogger stroller, it's a deal two times over. For some brands, it's difficult to find a jogger that can also securely fit an infant car seat, let alone an entire travel system designed to grow along with your ...

Baby Trend Expedition Jogger Travel System Review: Is This ...

Baby Trend was the first to make "sit and stand" style strollers and the Snap-N-Go stroller that converts an infant car seat into a lightweight stroller. They make the Diaper Champ diaper pail, infant car seats, infant swings and bouncers, high chairs, walkers, strollers, and a variety of other products for growing families.
