How to Write A Conclusion. In a conclusion paragraph, you summarize what you’ve written about in your paper. When you’re writing a good conclusion paragraph, you need to think about the main point that you want to get across and be sure it’s included.

How to Write a Good Conclusion Paragraph | Time4Writing

Here’s an historical tidbit you may not be aware of. Between the years 1860 and 1940, as the number of Methodist ministers living in New England increased, so too did the amount of Cuban rum ...

Clearing up confusion between correlation and causation

Cryptomnesia is a form of misattribution. It involves the unconscious influence of memory that causes current thoughts to be wrongfully attributed as novel. In other words, individuals mistakenly believe that they are the original generators of the thought.

Misattribution of memory - Wikipedia

The Truth Initiative has just published a new study that purports to back up FDA Commissioner Scott Gottlieb’s claim that teenage vaping — and especially teen use of JUUL — has become an epidemic. But their numbers don’t match their claims. The figure Truth trumpets on its website is that teens aged 15-17 are 16 times more likely to have ever used a JUUL than adults aged 25-34.
