The Cobie Guide Job Order

This is not because COBie is perfect, or that COBie solves all problems related to BIM interoperability. This success is because COBie does one small job, and does it well. COBie delivers information about equipment and spaces at lower cost and higher quality than today's manual (or proprietary) methods.

COBIE - BIM - Life-cycle Facility Management - LEAN ...

COBie does not add new requirements to contracts; it simply changes the required deliverables from paper documents, or proprietary electronic formats, to an open, United States standard format. COBie and this Guide may be thought of as a performance-based specification for the delivery of building information. [COBie_Guide_-_Public_Release_1](#)
